# #3 Cleaning & Maintenance

Quick Code  
114

## Stainless Protect

For cleaning and preserving interior and exterior decorative metal finishes and promoting uniform ageing of stainless steel. Prevents permanent finger marks on brushed and polished stainless steel, and makes for easy cleaning of any further contamination. Displaces water, giving a temporary corrosion protection.

Code	Size	
114.600.500.000	500ml spray bottle	£17.10

Quick Code  
115

## Stainless Clean

Water-based, acidic cleaning gel. Removes surface corrosion, mineral deposits and contamination, and lifts and dissolves grease, oil and dirt. Visibly brightens stainless steel without affecting the base metal. Gel form for longer cleaning action on vertical

Code	Size	
115.600.500.000	1000ml Spray Bottle	£38.78

Quick Code  
118

## Peek Multi-Purpose Metal Polish

The perfect cleaning and polishing cream for metals; mild abrasive cream which cleans, polishes and protects brass, copper, stainless steel, bronze and other mirror polished metals. Recommended for effective polishing of mirror polished stainless steel.

Code	Size	
118.600.000.005	50g	£4.76
118.600.000.010	100g	£5.66
118.600.000.025	250g	£7.65

Quick Code  
119

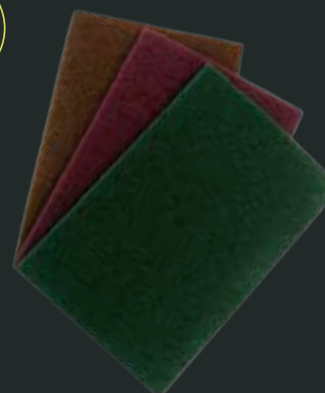

## Complete Cleaning Box

Includes 50ml Stainless Clean, 50ml Stainless Protect, 2x Scotchbrite pads, soft cloth and gloves. The complete kit for easy installation cleaning.

Code	
119.600.000.000	£17.99

Quick Code  
190

## Scotchbrite Hand Pads

Superior alternative to steel wool and wire brushes, for removal of light scratches and marks on satin finished stainless steel.

Code	Grade	Pack size	
190.600.003.010	Fine (Green)	10	£13.61
190.600.002.010	Medium (Maroon)	10	£22.45
190.600.001.010	Coarse (Brown)	10	£43.09
